

Create an account

Create your PhysioWorkplace account using a personal link sent to your email address.

1

Request your account link

Where you are: The start page provides a field for your email address.

What to do: Enter your email address and select Send link.

The image shows a web form for requesting a sign-in link. At the top left is the PhysioWorkplace logo, a stylized 'P' in a circle, followed by the text 'PhysioWorkplace' and the tagline 'A simpler working day for physiotherapists.' Below this is an 'Email' label and a text input field. Under the input field is a button with a red border and a red circle containing the number '1' on its left. The button text is 'Send sign-in link'. Below the button is a small note: 'Use a secure one-time link or your existing account. No password is needed.'

Complete when: A message confirms that the link has been sent.

2

Open your personal link

Where you are: PhysioWorkplace has sent a message to the address you entered.

What to do: Open the email and follow your personal link.

The image shows a sign-in interface for PhysioWorkplace. At the top, the logo and tagline 'A simpler working day for physiotherapists.' are displayed. Below this is an 'Email' input field. A red circle with the number '2' highlights a message box that reads: 'The sign-in link has been sent. Open it from your email to continue.' Below the message box is a button labeled 'Send the link again' with an envelope icon. At the bottom, a small note states: 'Use a secure one-time link or your existing account. No password is needed.'

Complete when: PhysioWorkplace opens and asks you to confirm the email address.

3

Confirm your email address

Where you are: The page shows that your personal link has been opened.

What to do: Enter the same email address and select Sign in with the link.

The image shows a web interface for PhysioWorkplace. At the top left is a logo consisting of two overlapping circles, one teal and one light blue. To the right of the logo, the text "PhysioWorkplace" is displayed in a bold, dark font, followed by "Confirm your email address" in a smaller, regular font. Below this, there is a horizontal line with the text "confirm the link" centered underneath it. Underneath the line is the label "Email" followed by a white rectangular input field. Below the input field is a red circular button with a white envelope icon and the text "Sign in with the link". To the left of this button is a small red circle containing the number "3". Below the button, there is a line of small text that reads: "Use a secure one-time link or your existing account. No password is needed."

Complete when: Your account is created and onboarding opens.

4

Continue to onboarding

Where you are: The Get started heading shows that your account is ready.

What to do: Check the options under Get started.

Complete when: The page shows the Create passkey and Do this later options.
