

# Sign in with an email link

Request a personal email link and verify the new browser with your passkey, which confirms your identity through your device or password manager without a password.

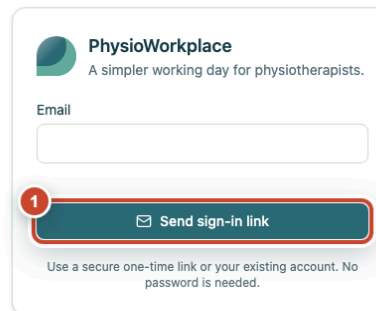

---

1

## Request a sign-in link

**Where you are:** The sign-in page provides the email address field.

**What to do:** Enter the address for your account and select Send link.

The image shows a sign-in form for PhysioWorkplace. At the top left is the PhysioWorkplace logo, a stylized 'P' in a circle, followed by the text 'PhysioWorkplace' and the tagline 'A simpler working day for physiotherapists.' Below this is an 'Email' label and a text input field. Under the input field is a button with a red border and a red circle containing the number '1' on its left. The button text is 'Send sign-in link'. Below the button is a small note: 'Use a secure one-time link or your existing account. No password is needed.'

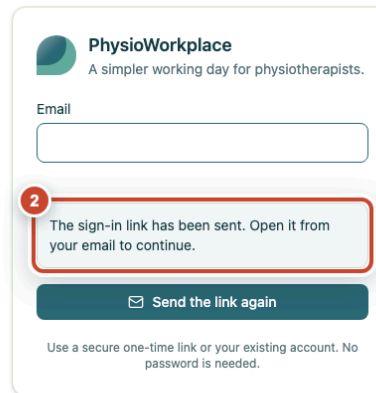

**Complete when:** The page confirms that the link has been sent.

2

## Open the email link

**Where you are:** A personal sign-in link has been sent to your email address.

**What to do:** Open the email and follow the link.

The image shows a web interface for PhysioWorkplace. At the top, there is a logo and the text "PhysioWorkplace" followed by the tagline "A simpler working day for physiotherapists." Below this is an "Email" label and a text input field. A red circle with the number "2" is positioned to the left of a message box. The message box contains the text: "The sign-in link has been sent. Open it from your email to continue." Below the message box is a dark blue button with a white envelope icon and the text "Send the link again". At the bottom, there is a small line of text: "Use a secure one-time link or your existing account. No password is needed."

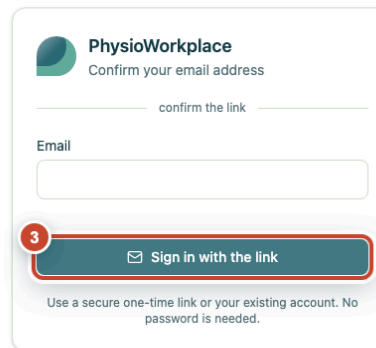

**Complete when:** PhysioWorkplace opens the page for confirming your address.

3

## Confirm your address

**Where you are:** The opened link is waiting for the same email address.

**What to do:** Enter the address and select Sign in with the link.

The image shows a web interface for PhysioWorkplace. At the top left is a logo consisting of two overlapping circles, one teal and one light blue. To the right of the logo, the text "PhysioWorkplace" is displayed in a bold, dark font, followed by "Confirm your email address" in a smaller, regular font. Below this, there is a horizontal line with the text "confirm the link" centered underneath it. Underneath the line is the label "Email" followed by a white rectangular input field. Below the input field is a red circular button with a white envelope icon and the text "Sign in with the link". To the left of this button is a red circle containing the number "3". Below the button, there is a line of small text: "Use a secure one-time link or your existing account. No password is needed."

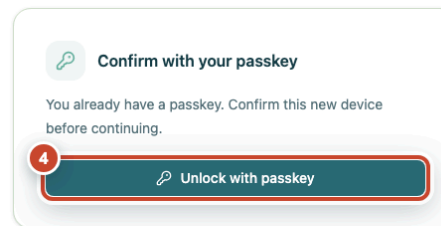

**Complete when:** PhysioWorkplace continues to identity verification.

4

## Verify the new browser

**Where you are:** Verify your identity appears when the browser needs approval.

**What to do:** Select Unlock with passkey and follow your browser's instructions.

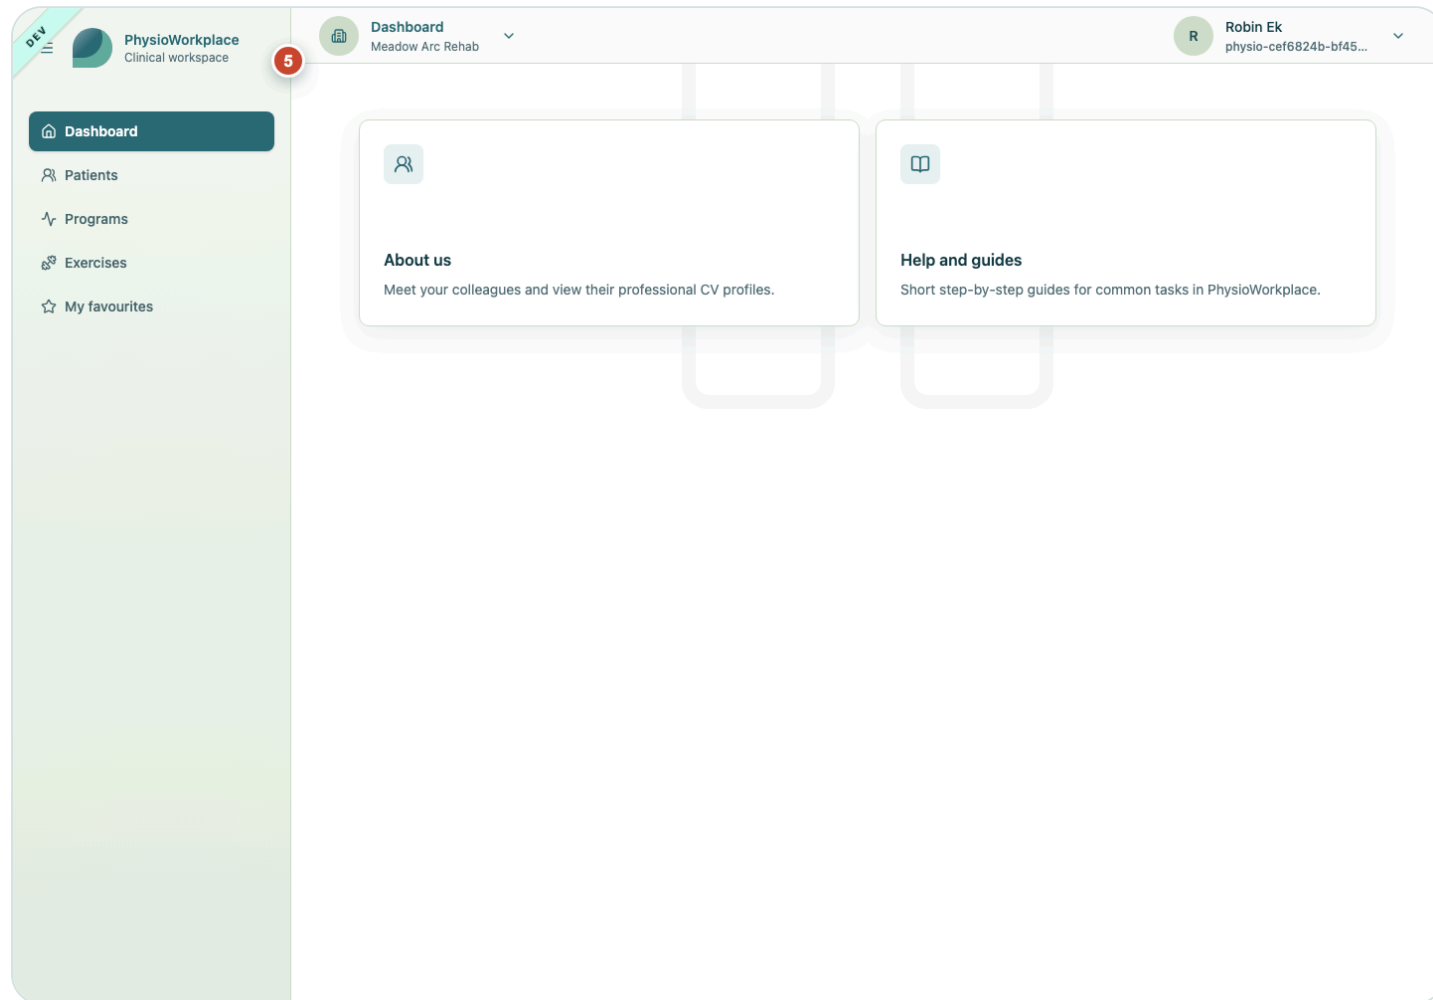

**Complete when:** Your identity is verified and the application opens.

5

## Confirm that you are signed in

**Where you are:** The Dashboard appears after successful verification.

**What to do:** Check that you are in the correct account and workspace.

**Complete when:** You are signed in and can continue working.
